# CELEBRATING SKINCARE

WITH OUR TREATMENT OF THE MONTH FOR MAY 2019

This month we are singing from the hilltop about our ultra-hydrating, super-nourishing, anti-ageing facials. One of the most misunderstood beauty rituals, a regular facial is truly an essential part of your healthy skincare routine - and the perfect treat to lift your spirits, clear your mind and make yourself feel beautiful. With summer on the horizon, now is the time to indulge!

**Receive 20% off any one of our outstanding hour or longer facials from ILA or Natura Bissé, when your appointment is booked and received within the month of May**
